

The Landform Quiz

Open the Landform Quiz slide show

(https://nebraskaview.unl.edu/documents/train/landform_quiz_ppt.pdf) , and see if you can figure out which of the following landforms corresponds to each slide. (Some slides may have more than one correct answer).

To see if your answers are correct, check your answers against the answer sheet

(https://nebraskaview.unl.edu/documents/train/landform_quiz_answers.pdf)

. Most of the images for this activity were obtained from the Earth as Art collection (https://www.usgs.gov/centers/eros/science/earth-art-5?qt-science_center_objects=7#qt-science_center_objects).

For more information about each image, view the slide show in notes form (https://nebraskaview.unl.edu/documents/train/landform_quiz_notes.pdf)

. Please feel free to create your own version of a Landforms Quiz using any of the online images.
